

TITAN Skull Microphone Headset

THE TITAN SKULL MICROPHONE HEADSET

The Titan Skull Microphone Headset is a great choice for users wearing helmets - especially fire fighter helmets and riot helmets. The vibration sensitive microphone provides clear audio and is easily installed inside the helmets without any tools.

Part number:

HUC2-C-TP-OC-L-01

Technical data

Speaker		Environmental specifications	
Impedance	32Ω	Operating temperature	-25° C to +85° C (Continuous)
SPL	85dB	Storage temperature	-25° C to +63° C
Size	Ø23 x 3.5 mm	IP-rating	Designed to meet IP67
Microphone	Vibration-Sensitive	Cable	Coiled PU
Sensitivity	-35dB +/- 3dB	Connector	Nexus TP120
Impedance	2.2KΩ	Weight	75g including cable and connector
